

**I S C A**  
INTERNATIONAL SCHOOL OF CREATIVE ARTS

**YEARBOOK 2025**

## **MESSAGE FROM THE EXECUTIVE DIRECTOR**

I am delighted to introduce the ISCA Yearbook for 2025. This year's work reflects an exceptionally high standard, demonstrating the range of skills and the methodologies developed by our students during their time at ISCA. The projects featured within these pages offer a clear insight into the breadth of their imagination, creativity and commitment. It is a source of great pride to see their talent and dedication rewarded with outstanding academic outcomes and offers from leading universities.

**Colin Kerrigan**

## MESSAGE FROM THE ISCA STAFF

Being part of our students' journeys this year has been a privilege. ISCA is more than just a place of study — it is also a home to our students, and watching them grow and develop personally, creatively and academically has brought us great joy. As they now take their next steps in the world of art and design, we send them off with our warmest wishes and confidence they will go on to achieve great things.

*Milly*

## ISCA @ PLAY

Life at ISCA extends well beyond the studio. This year, students embraced a diverse programme of activities — from competitive games of basketball and badminton to relaxed baking sessions and lively cultural celebrations. The Charities Committee made a meaningful impact, organising several fundraising events in support of a local cause. One particularly special moment was welcoming residents from a nearby care home, who spent a fun-packed afternoon collaborating with students on creative projects. Social highlights throughout the year included open-air barbecues, tranquil movie nights, and of course, the much-loved pizza evenings.

## STUDENT OFFERS 2025

This year, ISCA students have achieved 100% progression success to leading art and design institutions around the world. Students have received multiple offers from their chosen universities and colleges and have been able to select the course which will best enable them to achieve their future creative goals. Offers have been received from:
